(As per Order No.127-F(MED)WB dated26.11.2021)

## (Process flow for Treasury/PAO Bill preparation and disbursement of reimbursement claim through Payment Integration between WBHS Portal and WBIFMS)

Disbursement of reimbursement claim of WBHS against sanction order generated in WBHS Portal will be released in web based payment integration between WBHS and WBIFMS Portal. Newly introduced TR Form-68C shall be used for submission of bill to PAO/TO for payment. It will be prepared by any Operator (Reimbursement) in WBHS Portal. Then s/he forwards it to Drawing and Disbursing Officer (DDO) in WBHS Portal. When bill is ready for submission to PAO/TO, DDO will submit it to **E-Billing sub-module of WBIFMS** electronically. Finally DDO submits the bill to PAO/TO using his/her DSC from there for payment to claimant. Detailed process flow of such mechanism is stated below:-

- Once a sanction order is generated by the HoO/PSA/Delegated Approver against a reimbursement claim, it will be available for Treasury/PAO Bill preparation at the login of Operator (Reimbursement) in WBHS Portal. A Treasury/PAO Bill consists of TR Form-68C and Beneficiary List.
- 2. First Operator (Reimbursement) will take print 2 (two) copies of DSC stamped sanction order against each claim from **Sanctioned Case** menu available in his/her Login.
- After taking print of such sanction order, Operator (Reimbursement) will arrange both Treasury/PAO Set and Office Set of such claim and tag one sanction order at the front of each set. S/he sorts all sets according to Payment Head of Account for preparation of Treasury/PAO Bill in WBHS Portal.
- 4. Then s/he generates a Treasury/PAO Bill in TR Form-68C incorporating Bill No. & Bill Date from Bill Transit Register (BTR) by selecting a particular Payment Head of Account using Prepare TR 68C sub menu under E-Billing menu available in his/her login in WBHS Portal. A unique 15 digits Departmental Reference No. (DRN) will be generated when a Treasury/PAO Bill is prepared in WBHS Portal. Operator can choose maximum 8 (Eight) sanction orders of same or different claimant of a particular Payment Head of Account while preparing a Treasury/PAO Bill. Modification like inclusion or exclusion of sanction order against a prepared Treasury/PAO Bill is possible before forwarding it to DDO in WBHS Portal. DRN will be used for future reference.
- 5. After generation of a Treasury/PAO Bill, Operator (Reimbursement) will forward both physical copy and soft version of Treasury/PAO Bill to DDO for checking. Here s/he

may take print out of Beneficiary List and TR Form-68C such **Treasury/PAO Bill** from WBHS Portal for scrutiny and other purposes.

- 6. DSC registration is not required for DDO in WBHS Portal. After getting Treasury/PAO Bill physically as well as electronically from Operator (Reimbursement), DDO will check it carefully. When DDO satisfies himself/herself that the Treasury/PAO Bill is ready for submission to PAO/TO, s/he will submit it to WBIFMS through web service from WBHS Portal.
- 7. All submitted Treasury/PAO Bills from WBHS Portal may or may not reach to WBIFMS. On successful web service from WBHS Portal to WBIFMS, Treasury/PAO Bill will show at Task List of E-Billing Module at the login of DDO in WBIFMS with auto generated Reference No. Displaying of Treasury/PAO Bill with Reference No. at Task List of E-Billing Module of WBIFMS shall not happen in real time. It will display in WBIFMS within one hour after forwarding it from WBHS Portal and show at 11.00am, 12.00 Noon, 1.00pm, 2.00pm, 3.00pm, 4.00pm, 5.00pm and 6.00pm. In E-Billing Module of WBIFMS, DDO can't make any alteration in TR Form-68C and Beneficiary List. S/he can add only comments by selecting "Addl. Certificate". In case of any major mistakes detected in E-Billing Module, DDO can reject the respective Treasury/PAO Bill in WBIFMS for reprocessing the attached sanction orders again in WBHS Portal.
- 8. On unsuccessful web service, Treasury/PAO Bill will not reach to WBIFMS from WBHS Portal. Use of duplicate Bill No., shortage of Allotment (if applicable), invalid Payment Head of Account etc are the cause of such unsuccessful web service. DDO shall have to take additional care while forwarding bill to WBIFMS. DDO will check the report of unsuccessful event of web service and take action for reprocessing of such sanction orders.
- 9. When a Treasury/PAO Bill ready for submission to PAO/TO in WBIFMS, DDO will submit it using his/her registered DSC. DDO will make necessary arrangement of taking print out (if missed out earlier) of mandatory attachments that is required for before sending hard copy of such Treasury/PAO Bill to PAO/TO. Operator of E-Billing in WBIFMS has no obligatory role for bill preparation with TR Form-68C.
- 10.As like other bills, Pay & Accounts Officer / Treasury Officer shall process the bill complying guidelines issued by Finance Department, Government of West Bengal. In **Treasury/PAO Bill**, codes and admissibility of a particular reimbursement bill shall not be shown. If Pay & Accounts Officer / Treasury Officer want to see detail, s/he has to check it using his/her login in WBHS Portal. Pass or Objection of the bill is the final outcome at PAO/TO.
- 11.On successful transaction (having correct IFSC Code and Account No.) from Reserve Bank of India (RBI) against payment mandate given from PAO/TO of a passed bill, amount of the bill will be credited to tagged account of respective claimant.

Disbursement details along with UTR No. generated from RBI will be shown automatically in the login of different stakeholders in due course.

- 12.In case of unsuccessful transaction (having wrong IFSC Code and Account No.) from Reserve Bank of India against payment mandate given from PAO/TO of a passed bill, it will come under Failed Transaction and the same will show at the login of DDO in E-Billing module of WBIFMS. Details of such failed transaction will appear when Integrated Type is selected with West Bengal Health Scheme (WBHS) with sub type Failed Correction/Cancellation by DDO. S/he will make necessary communication to HoO/PSA about such failed transaction. DDO will modify wrong account after getting correct account details from HoO/PSA for making transaction successful. It is the responsibility of HoO/PSA to make correction of bank details in Certificate Generation section of that employee/pensioner for stopping further failed transaction.
- 13.When bill is objected from PAO/TO owing missing attachment, signature & other reasons. Gross amount and net amount does not require any modification. After generation of Return Memo from PAO/TO, the bill will show at **Task List of E-Billing Module** at the login of DDO in WBIFMS. DDO shall resubmit the bill again complying with the objection raised from PAO/TO. No action is required at WBHS Portal.
- 14.If any sanction order requires modification in admissibility on the basis of objection raised from PAO/TO, DDO first reject the concerned **Treasury/PAO Bill** from the **Task List of E-Billing Module** in WBIFMS. After rejection, all tagged sanction orders in rejected **Treasury/PAO Bill** will be available at the login of HoO/Delegated Approver (Reimbursement) within one hour as like mentioned above in Sl. No. 7 for cancellation and subsequent further processing. After cancellation of concerned sanction order by HoO/Delegated Approver (Reimbursement), it will reach to Operator (Reimbursement) who started processing at first level for reprocessing in WBHS Portal.
- 15.Validity of a sanction order generated in WBHS Portal will be expired at the end of financial year in which it is generated. Cancellation and reprocessing of expired sanction order is required for fresh **Treasury/PAO Bill** submission to respective PAO/TO.
